

REMARKS

Applicants amended claims 1, 3 and 4 to correct a typographical error. No new matter has been added.

Also, in a teleconference with Examiner Weber on September 13, 2004, the Examiner accepted the formal drawings and indicated that a letter acknowledging the drawings would be sent. Applicants await a communication to this effect.

Lastly, the title of the invention was changed in a Supplemental Amendment filed May 21, 2003 and accepted by Examiner Bugaisky in a Final Office Action mailed October 21, 2003. We will mark the Notice of Allowance, form PTO: 85, accordingly.

It is respectfully requested that this amendment be entered to correct the typographical error.

CONCLUSION

Applicants respectfully request reconsideration of the present application in view of the foregoing amendments and arguments.

The examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

Respectfully submitted,
